|--------|---------------|
| Top Up | £20.00 |
|--------|---------------|

Total charge of **£763.00- £818.00** per week

Our weekly charges explained...

Before moving into your new home someone from your local Health & Social Care Trust (H&SCT) will carry out a financial assessment to work out how much you should pay towards the cost of your care.

Once they have completed this, we will give you or your representative a copy – this will not always be available immediately but we will give it to you as soon as possible after you move in.

Nursing care

This charge covers the cost of providing you with 24 hour care, accommodation, and meals etc. This charge is set each year by the local Health & Social Care Trust.

Physically disabled nursing care

This charge covers the cost of providing additional nursing care for residents with physical disabilities. This charge is set each year by the local Health & Social Care Trust.

Top up

This is a standard charge paid for you by a third party e.g. a relative. This is the difference between what we charge and what the local Health & Social Care Trust would normally expect to pay.

Other important information...

Increase in charges

We will tell you at least 28 days in advance of any increase or change to your charges.

Paying your charges

Your charges are due weekly in advance. Direct Debit is our preferred method of payment; however the following methods are also available:

- Swipe card (request from your Housing Officer)
- Standing order
- Debit card payment by telephone.

Payments can also be made fortnightly or 4 weekly in advance to suit your personal circumstances.
